# Notes from Kim

Hello Girl Scouts!

As we plan for another exciting summer at Girl Scout camps across Eastern Pennsylvania, I am filled with anticipation and gratitude for the wonderful experiences that lie ahead! Our camps have always been places of growth, learning, and fun, but this year, we are especially focused on celebrating the richness and diversity that defines our community.

At Girl Scouts of Eastern Pennsylvania, we believe that every girl deserves a camp experience that not only nurtures her sense of adventure, but also embraces her unique background, interests, and aspirations.

Last summer, we welcomed Girl Scouts Philly Camp to our summer lineup, which offers girls in the city of Philadelphia the chance to explore their neighborhoods, learn exciting new skills, and take trips to enjoy the outdoors, recognizing there are real environmental equities in our region.

Our camp programs are designed to offer a wide range of experiences, ensuring that every girl finds her place to shine. From high adventures like rock climbing and white water rafting, to creative pursuits like arts and STEM, there is something for everyone. We encourage our campers to step out of their comfort zones, try new things, and discover hidden talents they never knew they had.

And don't forget—with the upcoming Cookie Season, girls can earn Cookie Dough, which can be redeemed towards camp adventures, spring programs, and so much more!

I would like to express my deepest gratitude to all our camp families for entrusting us with the privilege of shaping the lives of your daughters. Together, we are building a community of strong, confident, and compassionate leaders who will make a positive impact on the world.

I invite you to explore this year's Camp Guide magazine, where you'll find a treasure trove of information about the exciting opportunities that await. Feel free to reach out to our dedicated camp team with any questions or concerns—we are here to support you every step of the way.

Warm regards,

**Kim E. Fraites-Dow**

## Our Vision

At Girl Scouts of Eastern Pennsylvania, we strive to provide camps and programs that build girls' leadership, confidence, independence, and community. Our camps are committed to providing opportunities for girls from all nine counties in our council, creating and connecting a diverse community that helps campers unlock their potential and discover the world, while developing life skills and making memories and friendships that last a lifetime.

## Our Program Philosophy

We believe everything that happens at camp is part of the camp experience. Our campers have wonderful adventures. They try new things, build confidence, and make new friends. They also spend time away from their families in a new environment, both through our day camps and overnight at our resident camps. During this time, they learn to be part of a community, to make decisions together, to take responsibility for their actions and their surroundings. They participate in "kapers" to keep camp areas clean and organized, share responsibilities at camp cookouts, and support each other through new challenges. In our safe and supportive environment, girls become active participants in the learning process.

*The best camps are ACA accredited, just like all GSEP camps!*

*American Camp Association accreditation shows a commitment to high quality programs, safety standards, and best business practices. To learn more about ACA, visit [acacamps.org](http://acacamps.org).*

## Why Camp is Important

A recent survey conducted through the advocacy of our friends at the American Camp Association, of which we are a member organization, finds that camps build necessary skills to prepare campers to assume roles as successful adults. Parents, campers, and camp staff independently reported growth in areas such as self-confidence, independence, making friends, exploring, and learning new activities. Summer camp is not only tremendously fun, but it is vitally important. Here are just a few reasons why:

- At camp, girls get a close-up look at the compassionate leadership practiced by our camp staff. And girls get loads of opportunities to practice being a leader by voicing their feelings, making individual choices, and negotiating group decision-making.
- Campers develop a sense of security and self-confidence that will help them develop a strong sense of self, form healthy relationships, take risks, and learn from mistakes.
- Camp embraces the natural environment and allows girls to unplug from their busy lives and experience the outdoors.

## A Note About Safety

Nothing is more important than the emotional and physical safety of our campers. Our programs are designed to allow campers to take healthy risks in a safe and nurturing environment. Our enthusiastic staff receive extensive training before camp and are chosen for their maturity, energy, and ability to be positive role models for your child. All of our camps have received ACA Accreditation. This year, health and safety is at the forefront of our planning.

# Trading Post

The Trading Post (TP) is your headquarters for camp swag, last minute camp needs, and fun stuff too! Campers practice the financial skills they've learned—budgeting, comparison shopping, and more! Here's everything you need to know for shopping at the Trading Posts during camp.

## Day Camps

Day campers visit the Trading Post once a week. Counselors send home a flyer on Mondays with what's available and directions for sending money with your camper. Day campers can use cash, Cookie Dough, or Gift Certificates for their purchases.

## Resident Camps

Resident campers visit the TP at least once during the camp week and must make TP Deposits for purchases made Monday–Thursday. All TP Deposits should be made in myGS or our shops at least two weeks in advance of your camp start date.

- Deposits travel with your camper across weeks or camps! There's no need to pick your camp week when making your deposit in myGS.
- At pickup, campers are informed of their available balance. You can visit the Trading Post during pickup to use up your balance.
- Deposits are not refundable. When summer ends, we'll email you with your available balance and give you some options for using it.

The Trading Post is also open during drop-off and pick-up for families to shop together. Our staff will not be able to answer your questions during drop-off; please send any questions you may have to [memberservices@gsep.org](mailto:memberservices@gsep.org) with the subject line "Trading Post."

## How-To

### Use Cookie Dough at the Trading Post:

- Day Campers—send a note instead of cash with the amount to spend. The TP staff will apply the Cookie Dough to the purchase.
- Resident Campers—complete your transaction at one of our shops or email [memberservices@gsep.org](mailto:memberservices@gsep.org) with the subject line "Cookie Dough for Trading Post" to let us know how much you want to reserve for use at Trading Posts.

### Use your Trading Post balance from a previous year:

You don't have to do anything! Your balance is still available.

### Use Trading Post Deposits at Day Camps:

Indicate on your envelope that your camper has a TP Deposit. Our staff will confirm and apply the TP Deposit to the purchase.

### Use a Gift Certificate from previous years for a TP Deposit:

Visit a shop or email [shop@gsep.org](mailto:shop@gsep.org) with the subject "Gift Certificate for Trading Post." Please include a picture of the Gift Certificate or the GC number found in the lower right corner of the certificate.

## Camp Scholarships & Financial Aid

Thanks to the generosity of our donors, financial assistance for GSEP summer camps is available to all girls who qualify.

Funds for financial aid as well as camp scholarships are available and awarded on a first come, first served basis. We encourage you to apply early for the best chance of securing funds.

**Girl Scouts Get Started** general financial aid assistance is a one-time only benefit. Regular participation in the Cookie Program enables girls to continue their Girl Scout experience now and in years to come by earning Cookie Dough that can be used for membership renewal, program and camp registration, and to get their Girl Scout gear at GSEP shops and camp Trading Posts. As girls grow, so do their opportunities to earn older girl credits that can be used for travel, membership, and to support their GS Silver and Gold Award projects.

**Step 1:** Financial aid applicants are required to register and pay a \$50 deposit using the myGS system to secure your camper's spot.

**Step 2:** After securing a spot, a general financial aid or campership application **MUST** be submitted in order for your request to be completed. Please see application links below:

[gsep.org/en/get-involved/financial-aid.html](https://gsep.org/en/get-involved/financial-aid.html)

Please allow at least a four-week turnaround time from the date your application was submitted. You will be notified by email of acceptance and aid amount.

# gsEvents | Tips and Tricks

*Check out the event tab in your myGS Account for all important event details.*

## 1. Use our council event calendar or event list on gsep.org for direct links to registration.

You can find our event calendar by going to gsep.org > Events > Event Calendar and clicking on the event and then the green title to register!

Additionally, you can find events using our event listing by going to gsep.org > Events > Event List. Then, find the event you are looking for and click on the green title to register!

## 2. When using the events search feature in gsEvents, always use the zip code associated with the location where the program is taking place.

Why? The search feature within gsEvents is based off of the zip code associated with the location of the event (even virtual events have a zip code—see \*note below). If you search using YOUR zip code, your search will result in programs only around you, causing you to miss out on opportunities that may interest you!

For example, say an event is happening at Camp Mosey Wood and you input YOUR zip code to search—if you live farther than 90 miles from camp, you will not be able to see that event when you search for an event within gsEvents.

*\*Virtual Events use the zip code of our Shelly Ridge Service Center—19444*

### **Events hosted at our camp locations will be associated with the zip code for the camp address:**

- » Laughing Waters—19525
- » Mosey Wood—18661
- » Mountain House—18103
- » Shelly Ridge—19444
- » Wood Haven—17963
- » Valley Forge—19481

## 3. Event registration screen not allowing you to complete your purchase?

Don't forget that you must ALWAYS check the box on the right-hand side of the screen to accept the Girl Scout Promise and Law—every time you submit an event registration!

## 4. Events Offered by Other Councils

If you live within 90 miles of another Girl Scout council, you may see events offered by other councils if you do a zip code event search. If that council is inviting members from outside their council to participate, you are very welcome to register and participate! You can select “view only events in my council” when you search for events in myGS to see only Girl Scouts of Eastern PA events.

## 5. Register for multiple events at once!

gsEvents allows you to add multiple events to your cart and check out all at once! Simply find the events you would like to register for and individually add them to your cart. Then, when you are done adding events, go back to your cart and checkout!

### **Optional search parameters:**

**Keyword**—we recommend using quotes around your keyword, which will only return events with the quoted words.

**Date range**—you can list the same date in both range text boxes if you are searching for an event on a specific date.

**Event focus**—this search filter allows you to quickly find the specific type of event you're looking for (ex: Highest Awards).

**Grade level**—this parameter will limit your search results to those that match the grade(s) selected.

*Need assistance with event registration? Give us a call at 215-564-2030 or email us at [memberservices@gsep.org](mailto:memberservices@gsep.org). Our Customer Care team would be happy to assist you.*

# Take the Lead

Take the Lead is GSEP's signature fundraising event series, held annually in Berks County, the Lehigh Valley, and Greater Philadelphia.

Unique to GSEP, Take the Lead is a girl-led event that enables girls and women from the community to forge long-lasting mentoring relationships designed to teach girls the skills they'll need to become the leaders of tomorrow. As always, our Girl Scouts are the stars of the show, serving in many capacities including hosts, emcees, chorus, and presenters.

Take the Lead supports GSEP's programs, which encourage girls to discover a strong sense of self, connect with others, and take action to improve their communities.

Registration is now open for a variety of Take the Lead roles available for girls in grades 2-12.

Choose the girl leadership opportunity you are most interested in. Cost of the program is \$5 per girl, which includes a Take the Lead patch and rocker, snack at the rehearsal, and dinner at a Take the Lead event. The dates for the events are listed and there will be an additional rehearsal prior to each event. Check out [gsep.org](http://gsep.org) for details.
